Re: Rule Book Amendment #4 for 2020

The following Rule Change is effective immediately:

PAGE 3

RACECEIVER & TRANSPONDERS

RaceCeivers will be mandatory for all divisions. It is the driver's responsibility to ensure his/her RaceCeiver is working properly, or to notify pit steward if they have a problem with RaceCeiver. Drivers will be subject to penalty for disobeying any RaceCeiver communication from the tower. Drivers are required to wear & use RaceCeiver, not crew member.

CHANGES TO:

RACECEIVER & TRANSPONDERS

RaceCeivers & **Transponders** will be mandatory for all divisions. It is the driver's responsibility to ensure his/her RaceCeiver **and/or Transponder** is working properly, or to notify pit steward if they have a problem. **Transponders must be placed on BACK RIGHT REAR AXLE TUBE. Front wheel drive cars transponder must be placed on the RIGHT REAR TRAILING ARM.** Drivers may be subject to penalty for disobeying any RaceCeiver communication from the tower. **Drivers may face penalties or disqualification for failure to place transponder in correction location.** Drivers are required to wear & use RaceCeiver, not crew member.
